

LETS GO!

Join the Movement: Bring Women's Professional Hockey to HOCKEYTOWN

We are a passionate and growing community of hockey fans who believe Detroit deserves a professional women's hockey team.

After all, We Are HOCKEYTOWN!

There is strength in numbers! Sign our online petition and we'll prove to the PWHL that there is a massive local fanbase eager to support women's professional hockey in Michigan!

Then, spread the word! Tell you friends, teams, sports clubs, and others in your community to sign up.

Then join our local **DETROIT PWHL FANS** group on Facebook.
